Re: Docket 2010-010 Cause No. 269-01: Withdrawal of Request for Continuance

Gentlemen:

The Bureau of Land Management hereby withdraws its Request for Continuance filed with the Board on February 9, 2010, pursuant to "R641-105-300 Motions". The request is being withdrawn based on BLM's expedited review of the information submitted by Wolverine Gas and Oil on February 10, 2010, and Wolverine's Memorandum in Opposition to BLM's Request for Continuance filed on February 16, 2010. The BLM no longer objects to Wolverine Gas and Oil's Request for Agency Action being docketed for the February 24, 2010 Board Hearing.

If you should have any questions regarding this letter, please contact Stan Andersen of the Richfield Field Office at (435) 201-2799 or Michael Coulthard at (801) 539-4042.

Respectfully submitted this 18th day of February 2010.

Sincerely,

/s/ Cornell M. Christensen
